

Come Get Creative With Us!

Our mission statement says it all;

“Promote the Diversity & Appreciation of the Visual Arts in the Community.”

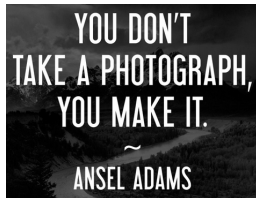

That's what Artists 'Round Texas (A.R.T.) has been doing since February 2002. You may love to create 2D art, work with photography, pottery, sculpture, art jewelry, or any other media. We invite you to join A.R.T., a visual arts organization, to meet other creative people, learn new processes, sell your art and enter juried art shows for cash awards.

- At monthly programs, learn ways to create artwork, and gain confidence pursuing your creative side with experienced art professionals, as they demonstrate their media, or teach a workshop, usually at no charge to A.R.T. members.

We are a member run, volunteer, community organization, and a 501C3 non-profit corporation

- Attend art field trips, visit museum exhibits and enjoy studio art tours.
- Learn about new art materials, and how you might incorporate them into your creative supplies.

- Enjoy reduced entry fees in our juried art shows: the *Small Works* (2D, 3D, Photo and Art Jewelry) in the Spring, and *Paint & Photograph Rowlett* in Fall. The shows are recognized by the art community, because of generous cash awards, and professional jurors, plus entrants have the opportunity to sell art to the public - and they do sell! The City of Rowlett, the Rowlett Chamber of Commerce, and other area businesses offer additional purchase prizes for our shows.

- PUBLIC ART - A.R.T. members exhibit and sell their artwork at the Rowlett Chamber of Commerce building on a three month basis.
